PROGRAM**

**PROTECT YOUR
CAR NOW!**

How the program works

The Watch Your Car Program is a New City of Sweetwater Police Department CRU Program offered to its citizens specifically designed to reduce auto theft. This is a free program whereby vehicle owners enroll their vehicles with the Sweetwater Police Department. The vehicle is then entered into a database. Participants receive a decal for their car rear window. By enrolling in this program, vehicle owners convey to law enforcement officials that their vehicle is not usually in use between the hours of 1:00 AM and 5:00 AM, when the majority of auto thefts occur and raises suspicion that the vehicle is being illegally operated. If a Sweetwater Police Officers see's your vehicle in operation between these hours, they will stop the vehicle and verify it is being legally operated by the rightful owner.
