

City of Sweetwater- Public Works

Information Guide Sheet for New Water and Sewer Services

The following information is for making a **New, First-Time** physical connection to the Miami-Dade Water and Sewer Department's (WASD) water or sanitary sewer system. Note: All water and sewer services within the City of Sweetwater is operated and maintained by WASD with the exceptions of septic tank systems. If the property you are responsible for has had water service in the past (in other words, it is already physically connected to the water system) and you simply need to open an account for water service under your name, please contact Customer Service at 305-665-7488.

In order to obtain a new water service installation or sewer lateral (connection to water main or sewer main) from an existing water/sewer main abutting your property, you must first contact the WASD New Business Office at either the LeJeune building, 3575 S. LeJeune Road (south of US-1) or the Miami-Dade Permitting and Inspection Center (MDPIC) at 11805 SW 26 Street in west Miami-Dade 786-268-5360 (LeJeune Office).

WASD IS RESPONSIBLE FOR INFORMING YOU IF PUBLIC WATER AND SANITARY SEWER IS AVAILABLE TO YOUR PROPERTY, NOT THE CITY OF SWEETWATER.

Once you have obtained approval from WASD to install a new water service or sewer lateral, you must provide the following to the Public Works Department:

1. Complete the "Public Works Application", including scope of work (i.e. new water line and/or sewer line)
2. Provide a survey that is less than 1 years old
3. Provide a minimum of two (2) approved sets of water and/or sewer drawings by WASD. Plans MUST include restoration notes and/or details for work being performed in right-of-way (i.e. restoration for asphalt, sidewalks, curbing, sod, trees, etc.)
4. Provide DERM allocation letter for new sewer services(for more information on allocation letter contact DERM at 786-315-2800).
5. Pay applicable public works permit fee.

All permit applications pertaining to water and sewer must be submitted to the City Building Department located at 1701 NW 112 Avenue Unit 103, Sweetwater, FL 33172, Ph: 305-455-6585.
