Building/Roofing Inspector – POSITION # 1169 – FULL-TIME

Applications will be considered on a first-come, first-served basis. Deadline for accepting applications: Until Filled

This is highly skilled inspections and enforcement work to ensure compliance with the Florida Building Code and Miami Dade County Code and other applicable codes and regulations as it related to the installation of roofing components, roofing systems, roofing assemblies, and the waterproofing thereof.

An employee in the classification shall conduct inspections and ensure compliance with laws and regulations pertaining to the installation of roofing components, roofing systems, roofing assemblies, and the waterproofing thereof; evaluating substandard roofing applications to determine the extent of plans reviews for errors and omissions.

An employee in this position usually works independently on field inspections and routine office duties, consulting with a technical superior on more difficult or unusual problems

Requirements:

- Five years of experience in the roofing industry, two of which shall have been in a supervisory capacity and holding a current certificate as a Roofing Contractor issued by Miami Dade County Construction Trades Qualifying Board or Florida Construction Industry Licensing Board
- Five years of experience in the roofing industry and certification as a Building Inspector in Miami-Dade County and holding a personal certificate from the Miami-Dade County Construction Trades Qualifying Board as a Roofing Inspector or Contractor.
- Five years of experience in the roofing industry and certification as a Building Inspector in Miami-Dade County and holding a personal certificate as a General Contractor issued by either The Florida Construction Industry Licensing Board (provided the number of the license shall be less than #7837) or The Miami Dade County Construction Trades Qualifying Board
- Five years of experience in the roofing industry and holding a current license from the State of Florida as a registered Architect or Engineer
- Any person holding a current certificate from the Board of Rules and Appeals as a Building Inspector who will perform roofing inspections shall hold a certificate and/or license as a Roofing Contractor or inspector and be certified as a Roofing Inspector by December 31, 1992. After that date, such persons shall not be eligible for certification to perform roofing inspections in Miami-Dade County
