Plumbing Fee Sheet

Attention applicant; you are responsible for filling out this application correctly. If you have any questions, please see an Inspector or processor for your trade. Refunds will not be given in case of error on your part. You will be charged a double fee for doing work without a permit. Minimum fee for electrical permits is \$150.00 for commercial, \$85 for residential.

The method of determining the minimum valuation in which permits are to be based for building permit fees not listed under the fee schedule in sections 14-24, 14-25 and 14-26 of Chapter 14 shall be established by the Building Director.

Under penalty of perjury, I attest to the best of my knowledge, the facts stated under this document are true. I understand that perjury is a felony of the third degree.
